The First Aid Unit is a youth run organization that provides first aid and standby medical services throughout Montgomery County and the Washington DC metro area.

We operate first aid stations for a variety of events such as picnics, 5K runs, the 4th of July celebration on the National Mall, the National Cherry Blossom Festival and other events in cooperation with the National Park Service.

Our group is an **SSL accredited** organization; youth members will earn volunteer hours for their service once they have completed membership requirements.

If you can't make it to our event, our next meeting will be Sunday 7/2/17, at 6:30 PM.
